

September 2010 CSP Newsletter

Welcome to all the families as we begin another fun and educational year! Please read on for the latest updates.

*I'd like to introduce the newest members of our staff, Lindsay Blohm, Cara Olansky, and Candice Martens. Lindsay will be a co-teacher with Cathy in Amigos on M, W, F and in Shakespeares on T, Th with Della helping out as assistant. Lindsay comes to us from another preschool in Chicago and has her degree in education from Monmouth College. Cara will be joining Joe in Mozarts. In addition to her co-teaching duties, Cara has agreed to be our Art and Drama teacher. Cara has her degree in Theater from Butler University and has gained experience teaching in Chicago area preschools while continuing her education in the field of early childhood. Candice will be filling our role as assistant. She has her degree in photography from Columbia College but has recently become interested in early childhood education. You may recognize her face from the time she worked at Fantasy Kingdom.

*For your convenience we now have a loading zone on Willow St. If the garage is full for drop off and/or pick up and there is no parking on Elston we encourage you to use our loading zone. There are 3 spaces on the

north side of Willow closest to CSP designated as a 15 minute loading zone. Please keep in mind these spaces are for drop off and pick up only and parking in them for longer may result in a ticket.

* We're excited about the build-out of our new Kitchen/Supply room. The build-out is scheduled for completion by Oct. 1. The new kitchen/supply room will be located in the space next door. Most, if not all, of the work will be completed before they cut into our space to add a new door. This new door will be located along the wall where the magazine rack is currently displayed. Please pardon limited construction noise and minimal dust along the way.

*Does your child have a birthday coming up? CSP families receive \$100 off a private party at Fantasy Kingdom! Visit them online at www.fantasykingdom.org to learn more about their packages! Mention you're a CSP family and receive 50% off Fantasy Kingdom's daily open play admission!

*Our preschool community is growing! If anyone would like to speak with me, you're welcome to come up to my office, or I can generally be found in one of the classrooms during pick-up time.
